

Senior Legal Consultant

Spark Legal Network

Brussels, Belgium

Spark Legal Network is looking to recruit a dynamic, pro-active and experienced Senior Legal Consultant to strengthen the team on a full-time basis, starting at short notice (preferably from June/July 2021). The successful candidate will have experience in EU legal consultancy work (**preferably in the area of DG JUST and / or HOME**). He/she will be working remotely (but will be based in our Brussels office as soon as this is possible considering the current COVID situation).

As a **Senior Legal Consultant** at Spark you will, amongst other things, engage in the following **tasks**:

- Actively contributing to Spark's Business Development Strategy, including leading the acquisition of new EU projects and studies through tendering
- Execution of EU projects and studies, including:
 - Management of project teams
 - Coordination of cross-border legal and policy research and analysis
 - Coordination and performance of (comparative) legal analysis
 - Drafting of project reports and presentations
- Communication with a wide range of high-profile clients and partners
- Actively staying up to date with relevant EU law and policy developments

We offer:

- A dynamic and flexible work environment, as part of a growing international, highly motivated team that strives for high quality work
- The opportunity to work on projects within a wide range of legal and policy areas, always with a link to EU law and policy
- An inspiring environment that allows you to work autonomously
- Ample opportunity to grow within the company
- A competitive salary package

If you are interested, please send your cover letter and CV to info@sparklegalnetwork.eu with **'Senior Legal Consultant'** in the subject line by 19 June 2021, demonstrating how you meet the following essential criteria:

- A passion for and deep understanding of EU law (at least a Masters degree in Law) and its link to EU policy
- At least 3 years of relevant experience in EU legal and policy (consultancy) work, including project management and report drafting (experience in tender acquisition and **in the area of DG JUST/HOME** is a plus)
- Leadership skills
- Excellent research and analysis skills
- A strong work ethic, an enthusiastic, flexible attitude and excellent communication skills
- Ability to work independently and as part of a team
- Interest and ability to take an active role in Spark's growing business
- Fluent English language skills

Only shortlisted candidates will be contacted by email.
